

Kamasengre Water Supply Project (KWSP)

Vacancy: Head Plumber

No of positions: 1 (one)

Duty station: New Water Scheme in Kamasengre, Rusinga Island – Homabay County.

Reporting to: Scheme Lead

Duties and Responsibilities

- Responsible for the daily management of duty station assigned ensuring resources availed to him/her are efficiently utilized and maintained at all times.
- Carry out water supply operations, planned maintenance activities, and react to plumbing and emergency water systems breakdowns or faults in a timely, professional, and customer-focused manner.
- Conduct line patrols continuously, record and action on the repair of reported leakages/bursts or any other anomalies. Also, report on water reach in areas patrolled and implement water schedule controls.
- Devise ways to enhance water production and reduction of Non-Revenue Water (NRW), design and implement a sound maintenance schedule of the system including line patrols, coordinate installation of new connections and reconnections exercise; and eradication of illegal mal-practices in the field.
- Take charge of water production activities and ensure the pump house and reservoir site, including all machinery there-in, are well operated, inspected daily, and properly maintained.
- Ensuring achievement of key performance indicators in line with the water sector benchmarks on water coverage, water quality, metering ratio, non-revenue water, collection efficiency, and operation and maintenance costs among others.
- Setting up customers' connections complete with prepaid meters and assisting them in the use of prepaid metering technology.
- Perform any other duties as assigned

Qualifications

- A diploma/certificate in water engineering/technology with at least 2 years of experience in water schemes' operations.
- Demonstrated work experience in similar roles to the job description above required.
- Proficiency in computer applications and tech-savviness required.
- Honesty, integrity, good communication, interpersonal skills, and reporting skills required.
- Good time management, customer care handling, and community service skills.
